Miss Kate Kilgill whose death was briefly announced in last week's issue of The Banner & Reformer occurred Monday, Oct. 25th in the Troy City hospital. She had been in failing health for two years with a complication of diseases, but had been active in caring for the late Margaret Shultz whose death took place last spring. Since then she has been confined to her bed most of the time. Last July she entered the hospital for treatment, and following an operation her condition grew steadily worse until the end. She was born in New York city. At an early age her father and mother died, leaving her in the care of Miss Shultz where she made her home until she was a young woman, when she entered the employment of a family in Manchester, remaining there nearly 20 years. At that period, upon the failing health of Miss Shultz she came here and faithfully cared for the one who befriended her in early childhood. The faithful attention and devotion to her, coupled with the cheerfulness and thoughtfulness for others endeared her to a large circle of friends who will ever remember Kate Gilligan as a true friend in the best sense of the word. Those who knew her intimately realized that at heart she was a woman of exceeding kindness and the many sacrifices she made for others, manifested a true christian character. Requiem mass was said in St. Mary's Roman Catholic church in Troy Wednesday morning at 10 o'clock. Interment taking place in St. Mary's cemetery. Among those from out of the city attending were Misses Ella and Agnes Kilgill, and Thomas Gilligan of New York city, and M. P. Kelley of this town.

**No Reason For It**  
When Bennington Citizens Show a Way.

There can be no reason why any reader of this who suffers the tortures of an aching back, the annoyance of urinary disorders, the pains and dangers of kidney ills will fail to heed the words of a neighbor who has found relief. Read what a Bennington citizen says:

Mrs. Celia Lamrooux, 222 Division St., Bennington, says: "For four years, I was so bad from kidney complaint that I could hardly do my housework. I had a terrible backache and headaches and sometimes became so dizzy that I was nearly blinded. The kidney secretions were unnatural and caused annoyance. Seeing Doan's Kidney Pills recommended for such troubles, I went to Cole's Drug Store and got a box. They were just what we needed. The backache that had clung to me so long left and I felt better and stronger. After taking two boxes of Doan's Kidney Pills, all symptoms of the trouble were removed."

The above statement was given December 19, 1905, and after OVER FIVE YEARS LATER, Mrs. Lamrooux said: "Time only increases my confidence in Doan's Kidney Pills. I still use them occasionally, but never have any serious kidney trouble, for they keep me free from it."

Price 50c. at all dealers. Don't simply ask for a kidney remedy--get Doan's Kidney Pills--the same that Mrs. Lamrooux has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.
